

Independent Third Party Research Confirms AARC Publications,
 RESPIRATORY CARE and AARC Times,
 As The Numbers One and Two Publications in Respiratory Care.

QUESTION: Which journals and magazines do you spend the most time with and find to be the most helpful in your work? (Select no more than three).

Also Confirmed
 The AARC International Respiratory Congress
 Is the First Educational Choice of the Respiratory Profession

QUESTION: If you could attend only one conference this year, which would it be?

SOURCE: Research performed by a health industry manufacturer in respiratory care during 2006. Company wishes to remain anonymous.
