

PUMPKIN CINNAMON ROLL CAKE

Preheat Oven to 350 Degrees.

Spray 13x8 pan with cooking spray.

Mix

- 1 box yellow cake mix
- 4 eggs
- ½ cup of oil (I use olive oil)
- ½ cup of milk
- 3.4 oz box of Vanilla Instant Pudding Mix
- ½ cup Greek yogurt (plain)
- 15 oz can of pumpkin

After well combined, pour batter into prepared pan. Spread evenly.

In a separate bowl, Mix

- ¾ cup light brown sugar
- 8 Tbsp Apple Sauce (plain, unsweetened)
- Cinnamon (as much as you like 😊)

After combined, drizzle cinnamon mixture evenly over cake. Then take a knife and cut it in the batter.

Bake for 35 minutes at 350 degrees.

Then, Mix

- ¾ cup powdered sugar
- ¼-½ cup heavy cream, adding as needed

Drizzle over warm cake. Let cake cool for 20 minutes before serving.

Refrigerate cake if not serving the same day. (Cake tastes great warm or cold!)
