

DEGREE ADVANCEMENT PROGRAMS IN RESPIRATORY CARE*

CoARC Policy 12.03 - A *Degree Advancement Program* is an educational program designed especially to meet the needs of the practicing respiratory therapist who, having already completed an accredited respiratory care program with an earned Entry into Respiratory Care Professional Practice degree is returning to school to obtain an advanced degree.

***The Commission on Accreditation for Respiratory Care (CoARC) does not recommend programs. Specific information about programs listed here can be located on each program website. Students are encouraged to contact the program to obtain additional information. Other valuable sources of information are college counselors and advisors, or college admissions officers.**
