AARC Times began in 1978 and has remained the top news and feature source for RTs worldwide. In 2020, AARC Times is moving to an all-digital platform.

AARC members receive the latest issue of AARC Times each month directly to their inbox. Filled with rich, relevant content, 70% of the magazine’s editorial pieces cover non-association news, including: peer-reviewed clinical topics and features, professional and management articles, regulatory and legislative updates, health care news, and industry news.

**FEATURES & COLUMNS OF AARC Times**

**Clinical Focus** — AARC Times focuses on specific clinical aspects of respiratory care from diseases such as asthma, COPD, and sleep disordered breathing – to topics on mechanical ventilation, diagnostics, long-term oxygen therapy, pharmaceuticals, pediatrics, emergency care, and more.

**Ventilation for Life**
Covers current concepts and technology in ventilation in all care settings. It addresses multiple modes of ventilation as well as articles on ventilatory support for specific populations or diseases.

**Chronic Disease Manager**
Disease management of the patient with chronic lung disease is crucial in today’s health care. Chronic Disease Manager illuminates the respiratory therapist’s role in asthma and COPD disease.

**Sleep Waves**
Written for respiratory therapists who manage and practice sleep care and diagnostics. This column delivers information on CPAP, Bi-PAP, limited channel sleep studies, non-pulmonary sleep disorders, and instrumentation.

**Coming Of Age**
Geriatric respiratory care has a growing population of patients. This column covers the diseases, treatments, issues, and differences in the treatment and care of the elderly patient.

**General Counsel**
This column is the source that respiratory therapists turn to for commentary and answers to their professional practice questions, and legal advice. Written by Anthony L. DeWitt, JD, RRT, FAARC.

**Industry Watch**
Industry Watch updates respiratory care professionals on important news about the health industry, service industry, pharmaceutical companies, and the events that affect the profession.

**RC Currents**
RC Currents is a popular column in AARC Times – featuring late-breaking news and industry updates.

**Clinical Perspectives**
The Clinical Perspectives column informs respiratory care professionals on a wide variety of current clinical information. It provides the latest best practices and discusses new trends in care delivery.

### PRINT AD SPECIFICATIONS

- Build document to ad size — see reverse side.
- Image resolution 266 dpi – 300 dpi.
- Do not use 4/C black for text.
- 133 line screen, ink density 280%.
- Fractional ads do not bleed and require a border, or background fill as border.
- Full page ads should extend at least 1/8” per side.
- Keep live matter within a 7 1/4” x 10” safety area for full bleed ads.
- Standard trim, bleed, and printer marks with full page ads. No marks included in live image area, or bleed.
- PDF files should be created at the highest resolution possible for quality output. Be sure to embed ALL fonts, and that the images imported into the file that you are creating a PDF file from are the highest resolution possible.
- All color must be converted to CMYK with spot designation removed. All ads must not contain any PMS metallic or fluorescent inks, and all spot colors must be converted to CMYK. Do not PDF ads containing spot colors.
- Transparency and layers built in Adobe CS programs such as InDesign and Illustrator must be flattened or rasterized prior to creation of PDF and file submission. Publisher is not responsible for transparencies and/or printing problems related to ad submissions that are not properly flattened before the PDF is created. Manual trapping to be applied in application layout by the ad designer.
- We only accept native files for ads created in Indesign, Adobe Illustrator and Photoshop. Include ALL supporting files and fonts placed in your page layout. All ads created in layout programs other than specified must be submitted in PDF format.
- When creating text with attributes such as bold or italic, use the specific font (i.e. HelveticaBoldOblique). DO NOT USE the style menus in layout programs such as QuarkXpress and Indesign to assign font attributes.

Ads conform to Interactive Advertising Bureau (IAB) specifications and guidelines.

*NOTE: Linking to 3rd party websites or interstitial registration pages is not permitted. All advertising and landing pages are subject to AARC review.

**DIGITAL & PRINT AD MATERIAL SUBMISSIONS**

All digital ads and print ads are reviewed for specification requirements.

* Although we make every attempt to identify all errors in supplied files, the publisher shall assume no responsibility for advertiser supplied files which are incomplete or files not adhering to the publisher’s specifications.

**PDF DIGITAL FILES**

Digital data is required for ad submission, presented in PDF format. AARC cannot be held liable for any errors, omissions or art alterations that may occur. Only one ad per PDF file.

- **PDF/X1a Format** — This is the preferred format of file submission. Careful attention must be paid to the proper creation of PDF/X1a files to ensure that they will reproduce correctly.

**NATIVE DIGITAL FILES**

Native application files in Macintosh platform are also accepted. InDesign, Adobe Photoshop, Adobe Illustrator files only. Include ALL supporting files placed in your page layout, including fonts used in all artwork, images, and logos. It is best to outline all fonts in Adobe Illustrator if possible before placing into page layout program. All artwork must be CMYK color mode. TIFF image format preferred. All elements should be placed in file at 100%, no scaling. If you are using layers to build your ad, please flatten the layers before creating your PDF to be sure that it processes correctly for printing.

**NOTE:** Materials that require conversion to publisher’s specifications may not print correctly and AARC cannot be held liable for ads that do not meet our submission guidelines.

**SENDING FILES ELECTRONICALLY**

E-mail Sarah Vaughn at sarah.vaughn@aarc.org or advertising@aarc.org. It is recommended that you use a compression utility (such as Stuffit Deluxe) to compress all print files into ONE folder for e-mail.

**EMAILING YOUR FILES**

Electronic ad submissions must include the following information when emailed: Name of advertiser, publication title, issue date, contact person handling the submission, contact phone and/or email address.
