DELIVERING TO OVER **47,000** RESPIRATORY THERAPISTS

About the AARC

Founded in 1947, the AARC is a not-for-profit professional association with more than 47,000 members worldwide. The Association's primary membership consists of respiratory therapists, allied health practitioners who are trained at the 2- and 4-year college level to assist physicians in the care of patients with pulmonary disorders and other conditions. Respiratory therapists can be found in all areas of health care, including hospitals, home care, nursing homes, sleep labs, and physicians' offices – in short, anywhere patients are being treated for lung diseases and injury.

Mission and Vision

The American Association for Respiratory Care (AARC) will continue to be the leading national and international professional association for respiratory care.

The AARC will encourage and promote professional excellence, advance the science and practice of respiratory care, and serve as an advocate for patients, their families, the public, the profession and the respiratory therapist.

The AARC Connects You with Respiratory Therapists

MORE THAN ANYONE ELSE

AARC offers numerous advertising options to deliver your targeted messaging through numerous media channels such as print publications, digital advertising, websites, podcasts, and e-newsletters. The AARC makes it easy and efficient to reach respiratory therapists who look to the AARC for expert and unbiased information.

Highly Targeted Media Channels for Advertising

The AARC delivers the most widely read publications, online services and e-media to over 47,000 members.

Your Respiratory Advertising Options are Limitless

Numerous media channels are offered so that you can strategically reach your target as often as needed.

- **Publication Print & Digital Advertising**
- **Email Digital Advertising**
- **Website Digital Advertising**
- **Conventions & Meetings Print & Digital Advertising**
- **Career Center Digital & Print Advertising**
- **Reprints & Eprints**
- **Mailing Lists**
- **Podcast Advertising**

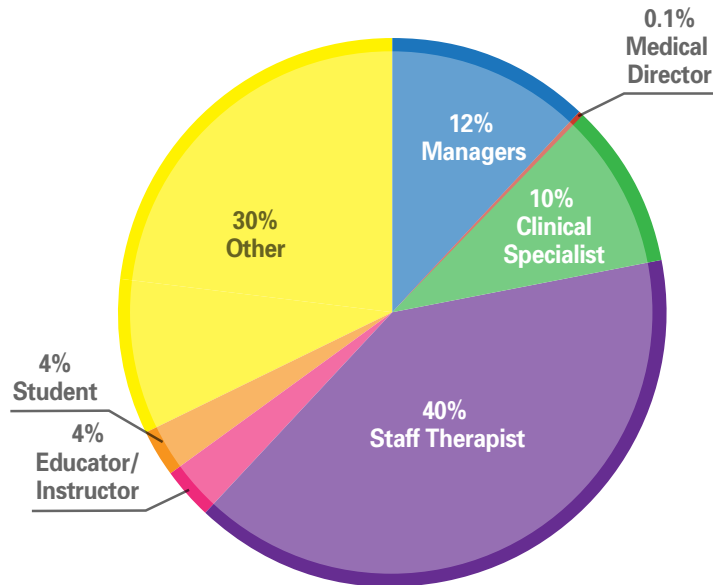

When you advertise with the AARC, your message is surrounded by high-quality, peer-reviewed content. Your advertising will be seen by influential AARC members, non-members, and visitors.

The AARC Member: Demographics

AARC Members Are More Than Just A Number

The respiratory therapists who visit our website, read our AARC publications and e-newsletters are more than a circulation number. They are the therapists who want to know what is happening in respiratory care and learn about cutting edge products and services.

Times

AARC's Monthly Digital Magazine

AARC members receive the latest issue of *AARC Times* each month directly to their inbox. Filled with rich, relevant content, 70% of the magazine's editorial pieces cover non-association news, including: peer-reviewed clinical topics and features, professional and management articles, regulatory and legislative updates, health care news, and industry news.

FEATURES & COLUMNS OF *AARC Times*

Clinical Focus — *AARC Times* focuses on specific clinical aspects of respiratory care from diseases such as asthma, COPD, and sleep disordered breathing – to topics on mechanical ventilation, diagnostics, long-term oxygen therapy, pharmaceuticals, pediatrics, emergency care, and more.

Ventilation for Life

Covers current concepts and technology in ventilation in all care settings. It addresses multiple modes of ventilation as well as articles on ventilatory support for specific populations or diseases.

Chronic Disease Manager

Disease management of the patient with chronic lung disease is crucial in today's health care. Chronic Disease Manager illuminates the respiratory therapist's role in asthma and COPD disease.

Sleep Waves

Written for respiratory therapists who manage and practice sleep care and diagnostics. This column delivers information on CPAP, Bi-PAP, limited channel sleep studies, non-pulmonary sleep disorders, and instrumentation.

Coming Of Age

Geriatric respiratory care has a growing population of patients. This column covers the diseases, treatments, issues, and differences in the treatment and care of the elderly patient.

General Counsel

This column is the source that respiratory therapists turn to for commentary and answers to their professional practice questions, and legal advice. Written by Anthony L. DeWitt, JD, RRT, FAARC.

Industry Watch

Industry Watch updates respiratory care professionals on important news about the health industry, service industry, pharmaceutical companies, and the events that affect the profession.

RC Currents

RC Currents is a popular column in *AARC Times* – featuring late-breaking news and industry updates.

Clinical Perspectives

The Clinical Perspectives column informs respiratory care professionals on a wide variety of current clinical information. It provides the latest best practices and discusses new trends in care delivery.

AARC Times began in 1978 and has remained the top news and feature source for RTs worldwide. In 2020, *AARC Times* is moving to an all-digital platform.

RESPIRATORY CARE®

The Official Science Journal of the AARC

More Than 60 Years of Service to Health Care

Since 1956, the Journal has given respiratory clinicians the tools and information they need to provide quality healthcare. That's why RESPIRATORY CARE is the world's leading respiratory journal. As a result, RESPIRATORY CARE is indispensable to the clinician on the cutting edge of respiratory health today. It is published monthly, and is listed in Index Medicus and included in the ISI's *Web of Science*. Its contents are searchable via PubMed, Google Scholar, and other search engines. It has a 5-year Impact Factor of 2.153.

Source: <http://rc.rcjournal.com>

RESPIRATORY CARE has the strength, history, reputation, and original content to help you educate your customers and sell your products.

**Rated #1
Publication by Members
for Information about
the Science and Practice of
Respiratory Care**

SOURCE: August 2019 RESPIRATORY CARE Readex Survey

The Journal Sets the Standard for Original Research

RESPIRATORY CARE gives marketers access to a respiratory community that is involved and responsive to new ideas and technology found in editorial and advertising. These dynamic decision makers come to RESPIRATORY CARE looking for ideas and products to enhance their practice. They're the first adopters who have the greatest influence on others and the most impact on your business.

Focused on topics for the clinician participating in the evaluation and care of patients with respiratory problems, particularly areas involving technology. The author list for these features reads like a "Who's Who" of respiratory care and pulmonary medicine of the last 35 years.

E-Newsletters

All Advertising Options for AARC e-Newsletters

Advertise in any one of the AARC's targeted e-newsletters to reach AARC members.

1. News Now@AARC

Weekly e-newsletter that is read by members for the latest news and information about the profession and the AARC. The most recognized e-newsletter in respiratory care. Mailed every Thursday.

2. AARC Times Table of Contents (TOC)

AARC members and subscribers read this monthly e-newsletter to find links to the latest articles in AARC Times.

3. Career News

AARC's most read twice-monthly e-newsletter with career advice and new job listings. Each issue delivers impressions and results for your recruitment advertising. Mailed every other Monday

4. Respiratory Care Table of Contents (TOC)

Sent monthly to AARC members and subscribers with links to the monthly journal and peer-reviewed research.

5. AARC Respiratory Care Showcase

Quarterly e-newsletter highlighting new respiratory products. The showcase is a key resource for respiratory managers to make departmental purchases.

6. Respiratory Care Week

E-newsletters sent prior to Respiratory Care Week, a national event in October. RTs plan months ahead for the week; celebrating lung health and a pride in the profession. These newsletters will showcase your brand's support to the hard work RTs commit every day to their patients.

7. Summer Forum Email

Targeted e-newsletters are sent prior to AARC's Summer Forum meeting. Summer Forum is a meeting specifically for managers and educators – making it a superior tool in reaching the decision makers for respiratory products and services.

8. AARC Congress News

AARC's largest international meeting is promoted with these special edition e-newsletters providing news and updates prior to the event. Advertising in this newsletter is a great way to spotlight your brand leading up to Congress. See pg. 15 for more Congress advertising opportunities.

9. AARC Congress e-Gazette

E-newsletter is sent three times during the AARC Congress to highlight activities, awards, events and more. Attendees are a highly engaged and a captive audience. See pg. 15 for more Congress advertising opportunities.

Specialty Section e-News

(see pg 11 for new options offered)

Content that reaches specialty interest groups offering you targeted marketing. Sent bi-monthly.

Print Advertising Mechanical Specifications

RESPIRATORY CARE JOURNAL PRINT AD SIZES WIDTH x DEPTH

Standard page (*live area*) RESPIRATORY CARE Journal . . . 7 1/4" w x 10" d

Spread pages (*live area*) RESPIRATORY CARE JOURNAL . . . 14 1/2" w x 10" d

One-half page (horizontal) 7" w x 4 7/8" d

One-half page (vertical) 3 1/2" w x 10" d

One-third page (vertical). 2" w x 10" d

One-fourth page. 3 1/4" w x 4 7/8" d

PRINT AD SPECIFICATIONS

- Build document to ad size — see reverse side.
- Image resolution 266 dpi – 300 dpi.
- Do not use 4/C black for text
- 133 line screen, ink density 280%
- Fractional ads do not bleed and require a border, or background fill as border.
- Full page bleed should extend at least 1/8" per side.
- Keep live matter within a 7 1/4" x 10" safety area for full bleed ads.
- Standard trim, bleed, and printer marks with full page ads. No marks included in live image area, or bleed.
- PDF files should be created at the highest resolution possible for quality output. Be sure to embed ALL fonts, and that the images imported into the file that you are creating a PDF file from are the highest resolution possible.
- All color must be converted to CMYK with spot designation removed. All ads must not contain any PMS metallic or fluorescent inks, and all spot colors must be converted to CMYK. Do not PDF ads containing spot colors.
- Transparency and layers built in Adobe CS programs such as InDesign and Illustrator must be flattened or rasterized prior to creation of PDF and file submission. Publisher is not responsible for transparencies and/or printing problems related to ad submissions that are not properly flattened before the PDF is created. Manual trapping to be applied in application layout by the ad designer.
- We only accept native files for ads created in Indesign, Adobe Illustrator and Photoshop. Include ALL supporting files and fonts placed in your page layout. All ads created in layout programs other than specified must be submitted in PDF format.
- When creating text with attributes such as bold or italic, use that specific font (i.e. HelveticaBoldOblique). DO NOT USE the style menus in layout programs such as QuarkXpress and Indesign to assign font attributes.

ADDITIONAL PRINT AD SPECIFICATIONS:

Picture needs to be in JPG 72 dpi and can be 265x100 pixels

Content can be maximum 270 characters

Title can be maximum 30 characters

Digital & Print Ad Mechanical Submissions*

DIGITAL & PRINT AD MATERIAL SUBMISSIONS*

All digital ads and print ads are reviewed for specification requirements.

* Although we make every attempt to identify all errors in supplied files, the publisher shall assume no responsibility for advertiser supplied files which are incomplete or files not adhering to the publisher's specifications.

PDF DIGITAL FILES

Digital data is required for ad submission, presented in PDF format. AARC cannot be held liable for any errors, omissions or art alterations that may occur. Only one ad per PDF file.

- **PDF/X1a Format** — This is the preferred format of file submission. Careful attention must be paid to the proper creation of PDF/X1a files to ensure that they will reproduce correctly.
- All high-resolution images and fonts must be included when the PDF/X1a file is saved. Only use Type 1 Fonts — no TrueType Fonts or Font Substitutions.

- Print Advertising: images must be set to U.S. Web Coated (SWOP)v2 (CMYK or Grayscale), Image should be in TIFF format between 266 and 300 dpi. No RGB or JPEG images. Do not nest EPS or TIFF files into other EPS or TIFF files. All required image trapping must be included in the files if desired by the advertiser.

NATIVE DIGITAL FILES

Native application files in Macintosh platform are also accepted. InDesign, Adobe Photoshop, Adobe Illustrator files only. Include ALL supporting files placed in your page layout, including fonts used in all artwork, images, and logos. It is best to outline all fonts in Adobe Illustrator if possible before placing into page layout program. All artwork must be CMYK color mode. TIFF image format preferred. All elements should be placed in file at 100%, no scaling. If you are using layers to build your ad, please flatten the layers before creating your PDF to be sure that it processes correctly for printing.

NOTE: Materials that require conversion to publisher's specifications may not print correctly and AARC cannot be held liable for ads that do not meet our submission guidelines.

SENDING FILES ELECTRONICALLY

E-mail Sarah Vaughn at sarah.vaughn@aarc.org or advertising@aarc.org. It is recommended that you use a compression utility (such as Stuffit Deluxe) to compress all print files into ONE folder for e-mail.

EMAILING YOUR FILES

Electronic ad submissions must include the following information when emailed: **Name of advertiser, publication title, issue date, contact person handling the submission, contact phone and/or email address.**
