The AARC Connects You with Respiratory Therapists

More than Anyone Else

The AARC offers numerous advertising options to deliver your targeted messaging through numerous media channels such as print publications, digital advertising, websites, podcasts, and e-newsletters. The AARC makes it easy and efficient to reach respiratory therapists who look to the AARC for expert and unbiased information.

About the AARC

Founded in 1947, the AARC is a not-for-profit professional association with more than 40,000 members worldwide. The Association’s primary membership consists of respiratory therapists, allied health practitioners who are trained at the 2- and 4-year college level to assist physicians in the care of patients with pulmonary disorders and other conditions. Respiratory therapists can be found in all areas of health care, including hospitals, home care, nursing homes, sleep labs, and physicians’ offices – in short, anywhere patients are being treated for lung diseases and injury.

Mission and Vision

The AARC is the foremost professional association promoting respiratory therapists.

The AARC advances professional excellence and science in the practice of respiratory therapy, serving the profession, patients, caregivers and the public.

When you advertise with the AARC, your message is surrounded by high-quality, peer-reviewed content. Your advertising will be seen by influential AARC members, non-members, and visitors.
Highly Targeted Media Channels for Advertising

The AARC delivers widely read publications, online services and e-media directly to over 40,000 members.

Your Respiratory Advertising Options are Limitless

Numerous media channels are offered so that you can strategically reach your target as often as needed.

The AARC Member: Demographics

AARC Members Are More Than Just A Number

The respiratory therapists who visit our website, read our AARC publications and e-newsletters are more than a circulation number. They are the therapists who want to know what is happening in respiratory care and learn about cutting edge products and services.

The Journal Sets the Standard for Original Research

RESPIRATORY CARE gives marketers access to a respiratory community that is involved and responsive to new ideas and technology found in editorial and advertising. These dynamic decision makers come to RESPIRATORY CARE looking for ideas and products to enhance their practice. They’re the first adopters who have the greatest influence on others and the most impact on your business.

Focused on topics for the clinician participating in the evaluation and care of patients with respiratory problems, particularly areas involving technology. The author list for these features reads like a “Who’s Who” of respiratory care and pulmonary medicine of the last 35 years.

Click HERE for the editorial board information.

More Than 65 Years of Service to Health Care

Since 1956, the Journal has given respiratory clinicians the tools and information they need to provide quality healthcare. That’s why RESPIRATORY CARE is the world’s leading respiratory journal. As a result, RESPIRATORY CARE is indispensable to the clinician on the cutting edge of respiratory health today. It is published monthly, and is listed in Index Medicus and included in the ISI’s Web of Science. Its contents are searchable via PubMed, Google Scholar, and other search engines. It has a 5-year Impact Factor of 2.252.

**AARC Webcast and RESPIRATORY CARE JournalCast Sponsorships**

AARC Webcasts and RESPIRATORY CARE JournalCasts (Editor’s Choice manuscripts) are current clinical topics that provide continuing education provided by clinical experts in the respiratory care profession. These programs are provided through our online webcast, digital format to a live audience, as well as recorded and made available in an on-demand format after the live broadcast.

These programs have become widely favored by the respiratory care profession and typically house 500-800 participants during the live event. Many of our more popular broadcasts are archived and accessed 100’s of times over subsequent months/years. You can find webcasts currently at http://www.aarc.org/upcoming-programs/.

**Special Journal Webcast Sponsorships**

**Corporate Partner Sponsorship Cost: $6,000 ($7,500 Non-Partners)**

AARC Special Journal Webcast are peer-reviewed, original research journal publications from AARC-approved scientific journals, that provide continuing education (CRCE) by clinical experts in the respiratory care profession. These programs are provided through our online, digital webcast platform to a live audience, as well as, recorded and made available in an on-demand format after the live broadcast.

These programs have become widely favored by the respiratory care profession and typically house 400-600 participants during the live event. Many of our more popular broadcasts once archived are accessed hundreds of times over subsequent months/years until determined by AARC to be dated and removed from the archives.

**Advertising Sponsorships of Non-AARC Education Webcasts**

**Rate: $5,500 (discounts for various Partner levels)**

Continuing education is the learning process used by professionals to keep abreast of changes in their respective fields to improve the quality of services they offer. In the context of respiratory therapy, continuing education can help the therapist maintain knowledge and skill while providing new information to modernize the therapeutic and diagnostic techniques learned in formal education.

AARC recognizes the need to provide a diverse array of educational topics and opportunities for the respiratory care profession that is not included in our portfolio of courses at AARC.
